

Advanced Medical Resources A.W.A.K.E. Kansas City

Dear Health Care Provider, Patient, Family Member, and Friends:

The ASAA (American Sleep Apnea Association) A.W.A.K.E. Network is a nonprofit health awareness group for people affected by sleep apnea. Patients and their families can learn more about living with sleep apnea, breathing and sleep disorders. This support group brings together people with common concerns. Tell your patients, family members and healthcare staff. All are welcome! We look forward to seeing you!
